

**THE  
CRASH  
BONES**

The logo is set against a black background with a white and black checkerboard pattern in the top-left and bottom-right corners. The text 'THE CRASH BONES' is rendered in a bold, stylized, black font with a double pink outline. The word 'THE' is positioned above 'CRASH'. The letter 'O' in 'BONES' is replaced by a stylized skull with large, white, circular eyes and a jagged lightning-bolt-like shape on its forehead. The letters 'B', 'N', and 'E' have decorative, rounded, and pointed extensions. The overall aesthetic is reminiscent of 1980s or 1990s pop culture branding.
